THE PRODUCT THAT **FINELINE SYSTEMS** OFFERS IS JUST AS THE NAME SUGGESTS. BESPOKE WINDOWS AND DOORS THAT PERFECTLY COMPLEMENT ARCHITECTURAL SPACES BY MINIMISING THE AMOUNT OF VISIBLE METAL, ALLOWING INDOOR AND OUTDOOR SPACES TO FEEL COHEASIVE.

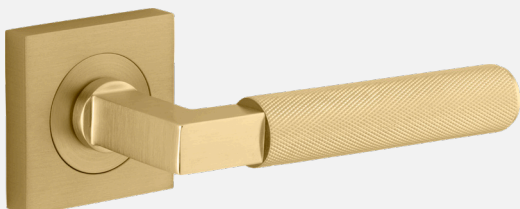

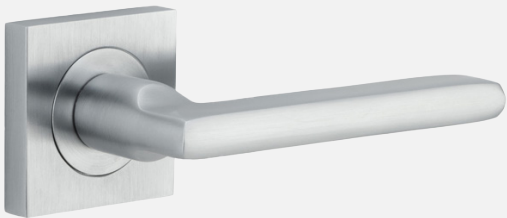

WE DESIGN AND LOCALY MANUFACTURE HIGH QUALITY STEEL SYSTEMS, AND MORE AFFORDABLE STEEL-LOOK ALUMINIUM SYSTEMS THAT PROVIDE FUNTIONALITY AND VISUAL APPEAL TO YOUR HOME OR OFFICE SPACE.

TIMELESS DESIGN

The design style at Fineline has its history rooted in commercial buildings dating back to the late 19th early 20th century, before becoming popular in homes in the 1950's. **It is a classic, industrial look that balances durability with stylish sophistication.**

AUSTRALIAN HARDWARE

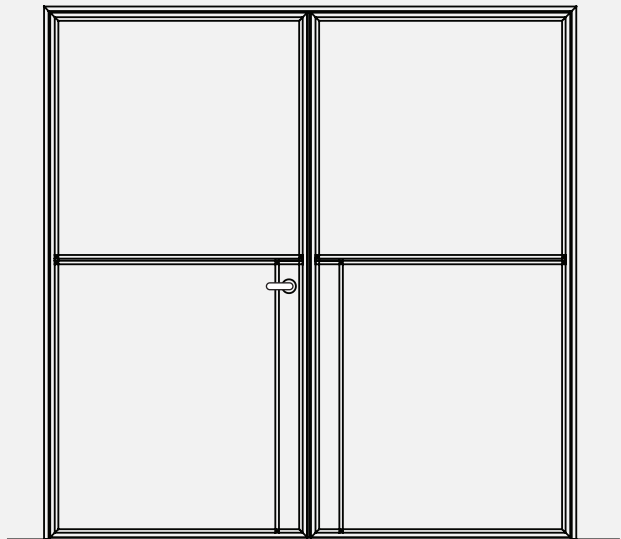

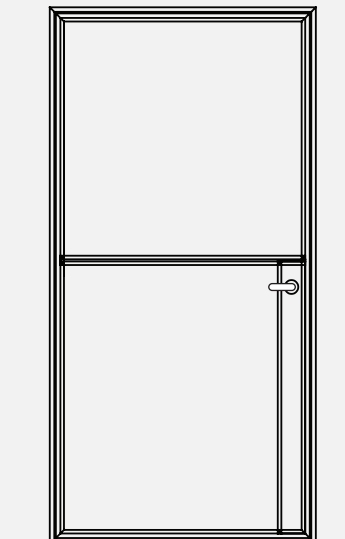

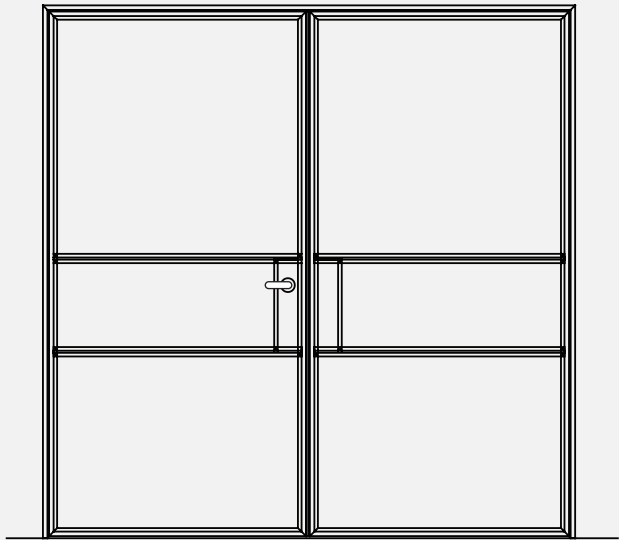

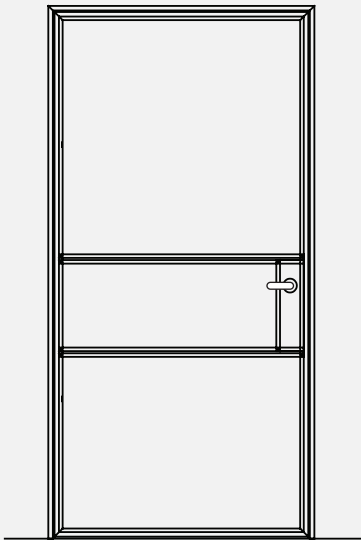

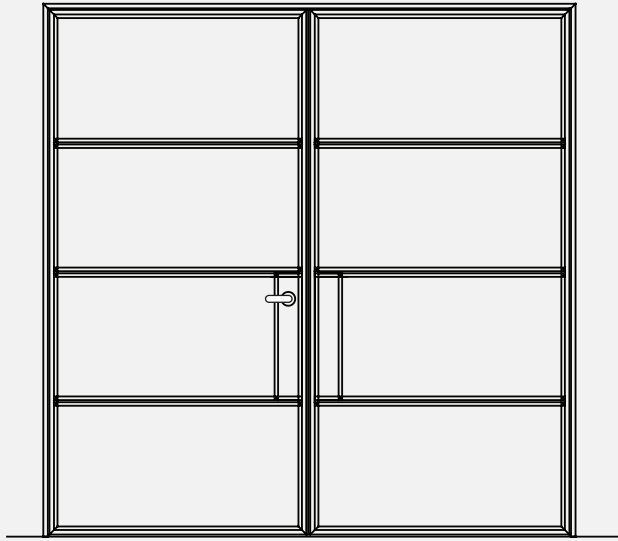

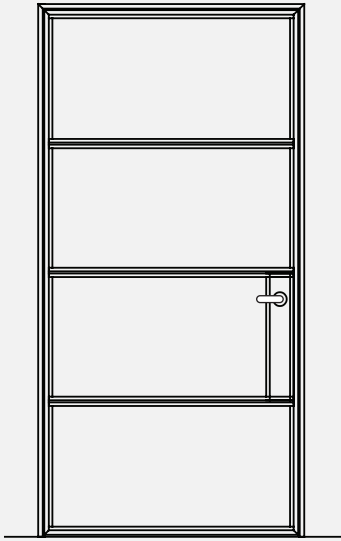

At Fineline, hardware is more than a fitting – it's the finishing touch that defines both performance and style. Our high-quality Australian-made door handles, hinges, and locks are crafted to complement the precision of Fineline doors while standing up to the demands of everyday use.

Engineered for strength and refined for design, our architectural hardware blends industrial-grade durability with modern aesthetics. Designed in collaboration with leading Australian hardware specialists, Fineline hardware ensures every door system achieves a seamless harmony of strength and style. Whether for residential or commercial spaces, our range offers customisable options that elevate architectural design while guaranteeing long-lasting performance.

Fineline hardware: where function meets refined elegance.
